A program featuring contestants' pictures and bios as well as pageant information will be available at the pageant. Contestants are required to purchase one full page in the program for \$100. This page may feature the contestant or thank sponsors, family, and friends.

Contestants are encouraged to use the sale of sponsorship advertising to assist them with pageant expenses. While each page costs the contestant \$100, the advertising on the page can be sold at any price the contestant chooses. For example, 10 business card size advertisements will fit on one page. If a contestant chooses to sell business card size ads for \$25 each, the contestant would have total sales of \$250. After paying for the page, this would leave the contestant \$150 to use towards pageant expenses.

Contestants may sell as many advertising pages as they wish, but must sell at least one page. Additional pages will be \$100 for a full page and \$50 for a half page.

Send a final layout of your page exactly as you would want it to appear in the program. You may include pictures (which can be taped in place on the paper), complete the page on the computer or cut and paste business cards and type. All pages will be printed in black and white. Contestants may let their creativity run wild – as long as the page is professional and appropriate. If you have questions about the page, please call the Oklahoma Rodeo Pageants Council Office at 580-768-0981.
