## Chaperone Check-In Sheet

### **Chaperone Check-In INFORMATION & CONSENT FORM**

The chaperone check-in sheet is meant to bridge the gap between the pageant's judged portions and down time during the pageant events to help make sure our new titleholders are fully prepared to be a responsible titleholder.

The chaperones can and will be present during all facets of the pageant, including down time in between pageant events and are asked to document the following matters which will result in a point deduction of 5 points per offense (max points lost cannot exceed 50). These deductions must be viable and be backed with comments provided. The reasoning behind selecting which offense they are being deducted points for, is to see if there is a pattern and to help determine if further action from the ORPC board of directors needs to be taken.

Chaperones are to have no close relationship with any one contestant. They are to complete these sheets fairly and only report incidents that they witnessed first hand. Second hand information needs to be brought to the ORPC board of directors to review for further action, including but not limited to, verbal warning and discussion of the situation, or being removed from the remainder of the pageant.

By signing this document, you agree that, as a chaperone, you will knowingly provide accurate and detailed information on what you report on the check-in sheet provided and to the ORPC board of directors. You also acknowledge that you have no close relationship with any contestant that would hinder or skew your ability to report fairly.
